# CELEBRATING Caymanians overseas

The Cayman Connection *Making Waves Awards* recognise Caymanians living overseas who have made outstanding contributions to, and excelled in their respective fields at a regional and/or global level.

We are looking to commend people who have excelled in their field whilst abroad, specifically those who continually strive to promote our community and share “Caymankind” globally.

The Making Waves Awards will be presented at an awards ceremony in August. A second awards presentation will take place at the annual “Cayman Day” in the UK in September.

To establish the inaugural Making Waves Awards within the local and overseas community, we will implement a high frequency multi-platform pre- and post-event promotional campaign.
